	POINTS	MAIN DISCREPTION OF SOUND	
A	29 to 30 points	Joyfull, amazing, wonderfull, shuddering, unbelievable,tunefull, substantial, sexy	98% to 99%
B	27 to 28 points	It feels extremely close to, but just a little bit less than the above	95% to 97%
C	24 to 26 points	Everything is there in very good proportion, but just not enough (or more)	90% to 94%
D	21 to 23 points	Almost everything is there in good proportion, but less or more	85% to 89%
E	18 to 20 points	Sounds correct but something well obvious is missing or is too much	80% to 84%
F	15 to 17 points	Sounds nice but some tracks sound nicer than others	75% to 79%
G	12 to 14 points	Sounds acceptable, nothing annoying but nothing special	70% to 74%
H	9 to 11 points	Sounds acceptable, almost nothing annoying	50% to 69%
I	5 to 8 points	Sounds annoying in only some tones or tunes	30% to 49%
K	1 to 4 points	Sounds annoying in almost all tunes and tracks	1% to 29%
L	0 points	No Sound	
		Do not score below I (5 to 8 points) if possible.
